Place and date of birth:

Sex:

Nationality:

2.

Academic titles, degrees and study results

Please fill out all your study results after high school. Don't forget to include the titles of your master's thesis or final examination paper, as well as the disciplines, the dates and the institutes where they were obtained. In case an institute does not evaluate the results per academic year, please mention the results and the date per examination.

For *postdoctoral* positions: please indicate the names of the supervisors and co-supervisors of your Ph.D.-thesis. A copy of your Ph.D.- thesis can be asked for during the interview.

Please a copy of your diploma and also a list of courses and your results per course should be included

	University + country	Degree name per year of study (discipline)	Grade	Grade in %	Year
