

FlandersBioImaging presents:
Interuniversity course on
Advanced Light Microscopy 2022

Interuniversity course on Advanced Light Microscopy 2022

 **7/10/2022**

 **Ghent University, Campus Heymans**

Lectures and demonstrations on measuring mobility, stability, interactions and conformational changes by imaging based methods.

 **18/11/2022**

 **University of Antwerp, Campus Drie Eiken**

Lectures and demonstrations on non-linear optical imaging and lightsheet imaging.

 **08/12/2022**

 **KULeuven, Campus Gasthuisberg**

Lectures and demonstrations on super-resolution imaging.

PRACTICAL INFORMATION

More info and registration on:

<https://www.flandersbioimaging.org/training>

Registration deadline:

01 August 2022

Max. 25 participants:

Selection based on motivation letter
