HELBERT JOHN NYAKI

Country of origin : Tanzania

Programme : Master of Transportation Sciences

ARU Tanzania - UHasselt Dual Degree Programme

Graduated : 2026

Current position : Assistant Lecturer, Ardhi University

Why did you choose the Master of Transportation Sciences at UHasselt?

I wanted to learn how to make roads safer for all users and improve transport infrastructure planning in Tanzania.

What was the most valuable aspect of the programme for you?

Learning to approach transportation challenges scientifically and make informed decisions that improve road safety and transport infrastructure planning.

Which knowledge or skills gained during the programme do you still use in your current job?

As a university lecturer, I take pride in passing on the knowledge and skills I gained during the programme to the next generation.

How has the programme contributed to your professional career?

The programme has given me greater confidence in my abilities and inspired me to contribute more actively to addressing transportation challenges in Tanzania.

What advice would you give to future students?

Go to UHasselt! It is a wonderful place to learn, build lasting connections, and grow both personally and professionally.
