

# CHRISTOPHE SMEETS, PhD

**Specialized in evidence-based clinical research and (remote) patient monitoring.** My colleagues describe me as a highly motivated person with an eagerness to learn and passionate about scientific research. As a project manager, I have learned to work constructively in multidisciplinary teams, tackle different aspects of clinical research and think outside the box. **My objectives are focused on bridging the gap between technological innovations and healthcare.**

## PERSONAL

- Name**  
Christophe Smeets
- Address**  
Joseph Deréstraat 10  
3500 Hasselt
- Phone number**  
+32 (0)474 27 57 73
- Email**  
christophe\_smeets90@hotmail.com
- Date of birth**  
30-11-1990 (30y)
- Place of birth**  
Hasselt
- Gender**  
Male
- Nationality**  
Belgian
- Driving license**  
B

## LANGUAGES

- Dutch ★★★★★
- English ★★★★★
- French ★★
- German ★

## COMPUTER SKILLS

Microsoft Office Word, Excel and PowerPoint, Citation managers (EndNote), Adobe graphical package (Illustrator), SPSS statistical analysis software and notion of Matlab

## PROFESSIONAL INTERESTS

Clinical research, (remote) patient monitoring, cardiology, wearable devices, mobile apps, Medical Device Regulation, mHealth validation, Internet of Things, bioimpedance, etc.

## PERSONAL INTERESTS

Auto mechanics, social activities, specialty beers, beer brewing, fitness, cycling, ballroom dancing

## EXPERIENCE

- Nov 2017 - To date**  
**Project Manager mHealth**  
Ziekenhuis Oost-Limburg, Genk, Belgium  
Imec the Netherlands/Holst Centre, Eindhoven, The Netherlands
  - Trained in Good Clinical Practice/Medical Device Regulations
  - Liaison of imec for (non)commercial clinical trials
  - Project management for (non)commercial studies
  - Project manager of the CoDaP INTERREG project
  - PhD project follow-up (academic studies)

## EDUCATION

- 2013 - 2017**  
**PhD in Biomedical Sciences**  
Remote monitoring in heart failure with a focus on thoracic bioimpedance: challenges and opportunities.  
Hasselt University, Hasselt, Belgium
- 2011 - 2013**  
**Master in Biomedical Sciences – Bioelectronics and nanotechnology (magna cum laude)**  
Hasselt University, Diepenbeek, Belgium
- 2008 - 2011**  
**Bachelor in Biomedical Sciences**  
Hasselt University, Diepenbeek, Belgium
- 2002 - 2008**  
**Secondary school – Sciences-Modern Languages**  
Virga-Jesse College, Hasselt, Belgium

## SCIENTIFIC CONTRIBUTIONS
